## High School Entrance Revising Board

**1.** The membership of the High School Entrance Revising Board shall consist of the High and Continuation School Inspectors and the Chief Inspector of Public and Separate Schools, with a Chairman and a Secretary nominated by the Board and approved by the Minister.

**2.—(1)** The first meeting of the Board for the revision of the reports from the local boards shall be called by the Registrar and shall continue in session until said reports, including those received during the session, have been duly dealt with.

(2) (a) At its first meeting the Board shall organize itself into three committees of two members each, each committee to deal with the reports submitted to it by the Registrar and to report the results daily to the Registrar.

(b) When in the opinion of a committee desirable, a special case shall be considered jointly by the whole Board.

**3.—(1)** At least one day before the close of its first session the Board shall nominate for the Minister's approval two committees of two members each, to deal with appeals and belated reports and with correspondence connected with the examination.

(2) Meetings of one or of both of said committees or additional meetings of the whole Board shall be called from time to time by the Registrar according to the necessities of the situation on dates that will insure the settlement of the results in time for the re-opening of the schools.

**4.—(1)** The Board and the committee or committees shall meet in the Inspectors' room, and the daily session shall be from 9 a.m. to 12 noon, and from 2 p.m. to 4 p.m.

(2) A record of the hours of attendance of each member shall be kept by the Secretary and reported to the Registrar at the close of each meeting.

(3) The members shall be paid at the rate of \$7.20 per diem.

**5.** Appeals shall be settled strictly in accordance with the provisions of the regulations. If, however, cases arise in which the operation of the regulations seems to debar from admission to a High School candidates who, in the opinion of the Board or its committee or committees, are fit to benefit from a High School course, the case in question shall be referred back to the local Board with a statement of the reasons for such reference, in order that said Board may have an opportunity of presenting the case from the point of view of local conditions; and on its report the question shall be finally settled by the High School Entrance Revising Board or the committee or committees thereof which made the reference, as may be deemed necessary by the Registrar.
